

## Save the Date – April 17!

The Annual Silent Auction is our largest fundraiser of the year, and the Fundraising Committee is working hard to make it the best yet. But it will take a commitment from each family in order to succeed.

### **How can you help?**

- Donate auction items
- If you have friends or family that own a business, ask them to donate! (Donation solicitation letter is available)
- Volunteer to work at the event
- Invite your friends/neighbors/family to the event

### **Need family donation ideas? Here are a few...**

- Themed baskets or personal gift packages such as Movie Night Basket, Rainy Day Crafts, Basket of Books, Game Basket, Spa Basket, etc. *(be creative & have fun with it!)*
- A few hours of house cleaning or babysitting
- Like to cook? Busy families love ready-made meals.
- Is baking your thing? Offer to bake up some homemade muffins or cake/cupcakes for someone's event.
- Gift cards
- Handmade items, such as jewelry, crafts (do you knit, sew or bead?)
- Photography and Artwork
- Household goods, baby/child-related items, media, etc. These items can be new or gently used.
- Spring yard clean-up or planting flowers
- Handyman or organizational help for a couple of hours
- Tutoring
- You can also help by soliciting businesses that you frequent - those who recognize you are more likely to make a donation to you.
